SUPPLEMENTAL RESPONSE TO OFFICE ACTION

Dear sir:

This paper supplements the response to the Office action dated March 30, 1997, Paper No. 23, which response was transmitted by fax on April 30, 1997.

In the original response, Applicant advised that a terminal disclaimer would be filed to overcome the judicially-created double patenting rejection which had been made in this application. (See response to Office Action at page 2.) However, the terminal disclaimer was not included with that response because it was submitted by fax. The terminal disclaimer requires payment of a fee, which payment is being made by check. Accordingly, the terminal disclaimer is being submitted herewith by mail, accompanied by the requisite fee.
